

The Revolutionary Dry and Soft

HyDri™

COTTON from BARNHARDT

Why Cotton?

The Perfect Touch
for Topsheets &
Coverstock
in **Diapers,**
Incontinence
and **Femcare**
Products

- Softness & Comfort
- Performance
- Breathability
- Hypo-Allergenic - for Sensitive Skin
- Female Affinity for Cotton
- Purity
- Safety
- Biodegradable
- Total Chlorine Free (TCF)

Revolutionary HyDri™ Cotton allows moisture to pass through while remaining dry to the touch; while providing comfort as it has for centuries in apparel coming in contact with the skin. HyDri™ Cotton is the new **All-Natural** replacement for extruded films or poly-based materials in sensitive areas. The unmatched performance of cotton is now here for those important times.

HyDri™ Cotton.
THE NATURAL CHOICE.
